Implementation of Supplemental Directive No. 1 to
CIG Directive No. 15

1. At a meeting this morning, a question was raised as to whether implementing responsibility has been placed within CIG with regard to followup of Supplemental Directive No. 1 to CIG Directive No. 15.

2. While the matter has not been referred to OCD for action, nevertheless [redacted] has asked this office to ascertain the status of the matter in order to be sure that the project does not fall between two stools, Specifically:

a. Has anyone in CIG been charged with following up to assure that the lists referred to in paragraphs 1 and 2 of the reference Supplemental Directive are actually gathered in from the participating agencies and then turned over to [redacted]

b. If so, who has been charged with the follow-up?

c. Is the Office of Operations involved in the follow-up?

d. If so, who in the Office of Operations is handling it?
